Our Products:

PHYTOMER

Small Beauty Timeout.

Enjoy pure relaxation courtesy of our pampering program in Beauty World. With a facial, a bath experience in the Caracalla tub, a massage or a peel, you will treat yourself to moments solely for you. The products which are used are tailored to the specific needs of your skin. Our cosmeticians create an optimized skincare program for men and women.

Would you like to sweeten your day at the spa resort with a beauty treatment? Make an appointment in advance or stop by the reception in our Beauty World at the spur of the moment. We will be happy to assist!

Introductory Tip:

My Peel

Pure essential oils combined with natural sea salt: Our peels promote blood flow, moisturize and increase the skin's ability to absorb valuable substances. Depending on the precise combination of essential oils, the peel will develop additional soothing benefits.

Vanilla Kiss Peel:

With vanilla & lemon and a fruity-fresh aroma, regenerates and reduces inflammation.

Good Mood Peel:

With orange & Moschus, velvety-soft aroma, for greater life energy.

Inner Peace Peel:

With lavender & juniper, full flowery aroma, soothes, dissipates excess energy.

Forest Journey Peel:

With pine & cedar, woody-herbaceous aroma, promotes blood flow and relaxes.

Duration of peel: ca. 15 minutes

Price per peel: 27.00

**Important Tips:**

- ▶ Always come to treatments in dry clothing.
- ▶ Treatment times include the time needed to undress/dress as well as the opportunity to relax afterwards.
- ▶ We are happy to advise you about which treatments are possible during pregnancy.

▶ Cancellations:

If you have to cancel a treatment, please give us 24-hour notice. Please note that, if you don't cancel or come to your treatment, we will be obliged to bill you.

Gift Idea:

Surprise your loved ones with beauty products or gift coupons for their own personal pampering program.

The **Gastein Health & Beauty** cosmetics line uses natural regional products in order to offer your skin the best care, with valuable Gastein thermal water playing an important role. In combination with pure active ingredients, herbal extracts and plant oils, it serves as the foundation for a full line of cosmetics. In creating the formulas, particular attention was paid to harnessing the traditional benefits of the raw substances.

These products are used exclusively for treatments in our Beauty World. For your feel-good moments at home or as gifts, you can purchase products from the Gastein Health & Beauty selection and other valuable products from our partners at the reception of Beauty World. We are also happy to send products straight to your home in the post.
